PUBLIC NOTICE – HEARING NO. 1

The County of Ozark will hold a public hearing on Tuesday, May 27, 2025 at 10:00 am at the Ozark County Courthouse at 1 Court Square, Gainesville, MO 65655 to discuss the county's submission of a Competitive Cycle application for the Fiscal Year 2025 Community Development Block Grant (CDBG) program. The county is interested in obtaining all citizens' input on community development needs within the county. As part of the hearing process, citizens will be asked to verbally assist in the completion of a Needs Assessment document. The document will detail what the residents feel are the strengths and weaknesses of the community. The county needs as much local participation as possible in order to reflect the true desires of the community as a whole, as well as the comments relating to the proposed project application. The State has established a maximum application request for each category.
Activities that are eligible for funding include the improvement of Community Facilities, Demolition, General Infrastructure, and others allowed by law. At least 51% of the funds must be used to benefit low-and-moderate income persons. No displacement of persons is anticipated. The county is proposing to construct a new Recycling Center & Vehicle Storage facility on property owned by the county. The area to be addressed is on the east side of County Road 502 south of County Road 513 on property adjacent to the current Ozark County Recycling Center. The total project cost is estimated at $887,020. The county proposes to contribute $98,000 cash, $155,000 in-kind labor by county crews, with grant funds of $634,020 needed to make up the balance. The project, if funded, will benefit 55.10% low/moderate income persons. All citizens, including those in the targeted area, are encouraged to attend to comment on the proposed activities.
For more information on the proposed project, contact Presiding Commissioner Terry Newton at: (417) 252-4010 or by email at: ozarkcountycommission@outlook.com. If you need special accommodations for the public hearing, including LEP assistance, please contact Terry Newton by Tuesday May 13, 2025, at 3:00 p.m. The meeting will be held at an accessible location and the county will make every effort possible to provide reasonable accommodations.
